MARKET DULL, BUT UNDERTONE FIRM

Business at Beginning of Day Dispelled by Reassuring Advices from Reliable Sources.

WHOLE LIST CLOSED STRONG

Nolume of Trade Nearly Smallest of Any Full Day This Year, However.

NEW YORK, August 25.—Disappointment was the portion of those who thought that to-day's stock market would show some further reflection of the turbulence during the early part of the week. As a matter of fact, the day's business was almost the dullest for some weeks, and nearly the smallest of any full day this year. Some uneasiness was felt at the outset, but peasuring advices from efficient sources soon imparted a firm tone to the list.

The greater ease of money will be a favorable factor in straightening out any trouble that may have resulted from the recent spectacular market operations. The afternoon session brought little or no change, but under the lead of Southern Pacific, which reached a new high level at 101 1-2, the entire list hardened and closed strong. No change is noted in local monetary conditions.

Bonds were steady to-day, the only feature being the sale of a large block of Union Pacific refunding 4s at a figure slightly under the subscription price. Total sales of bonds, par value, aggregated \$3.822,000. Government bonds were unchanged on call. The total sales of stocks amounted to 285,300 shares.

NEW YORK, August 26.—Money on Relimore.

Stronger, 23-4@4 1-2 per cent. Sterling exchange strong, with actual business in bankers bills at \$4.8425@\$4.8435 for sixty-day bills, and at \$4.8595 for demand. Commercial bills, \$4.83@\$4.83 3-4. Bar silver, 51 1-4. Mexican dollars, 45.

Possessor of Map of Hiding Place Advertises His Secret.

NEW HAVEN, CONN., August 26.—
Orange Street, this city, and now of Meriden, has written to Pittsburg newspapers telling of the mysterious hiding of \$100,000 in gold, which was stolen from a wealthy Pittsburg woman. Moore is confident that he can show her how to get her money back. "In 1906 Tom Hickey, a circus man, confidential servant for a Pittsburg woman, who had 500,000 francs in gold coin. Hickey took the money, burled it right outside Paris and gave me a map to show the place, as the police were on his track. Hickey is dead, and I am willing to restore the gold to the Pittsburg woman if I can find her name.

"I wrote to Pittsburg papers to announce the fact, so that she would make herself known."

HENRY KNAPP A BIGAMIST

TRADE REPORT.

Bradstreet's Saturday will say for Richmond and vicinity;
Unscasonable weather has to some extent had a deterring effect on trade generally this week. Wholesale dealers in dry goods, notions and kindred lines report orders increasing in number and of fair volume. Stocks in hands of dealers in rural districts are reported much depleted. Produce is dull. Retail trade has been returded by continued rain and the absence of many from the cities. Canneries are reported operating at full capacity, fruit and vegetables for this purpose being pientiful in most localities.

In Virginia tobacco has been somewhat injured by wet weather and the corn crop damaged by wind and flooded river lands. In North Carolina tobacco is being marketed in moderate quantities at fair prices, but the offerings have been principally of the cheaper grades. Peanuts are reported in good condition. Collections continue slow.
